IN COMPARISON WITH MAY AND JUNE 2016
APPLICATION

EXAMPLE

We installed interactive mirrors in the public toilets and in the lifts of the office building at Staromiejska 13 in Katowice.

BUSINESS CASE

Mirrors were designed to display the menu of the restaurant, located on the ground floor of the office building, together with administrative information, time and calendar.
APPLICATION EXAMPLE

In the modern building C4, located in the main square of Katowice, we installed the interactive mirrors in the toilets.

BUSINESS CASE

On the mirror’s surface there are information about upcoming events displayed, together with other materials promoting the city. Monthly, the toilets are used by 20 thousand people.
